

Tel: 002/03/5551313

Mobile: 002/01022624344

E-mail: shawky.nahla@yahoo.com

Address: Suez canal street , Compound of Moharam basha, Alexandria, Egypt.

I- Personal information :

i- Name: Nahla Shawky Mohammed El-Gazzar.

ii- Present appointment: Assistant lecturer at the Department of Pharmacognosy (2016), Faculty of Pharmacy , University of Alexandria, Alexandria, Egypt.

iii- Date of birth: February 9, 1989.

iv- Nationality: Egyptian.

v- Marital status: Married.

vi- Number of children: Two.

vii- Address: Suez canal street , Compound of Moharam basha, Alexandria, Egypt.

viii- Tel.: 002/03/5551313 - **Mobile :** 002/01022624344

ix- E-mail : shawky.nahla@yahoo.com

II- Academic qualification:

i- Bachelor of Pharmaceutical sciences, Excellent, Honor degree, University of Alexandria (2011).

ii- Master degree in Pharmaceutical sciences, Department of Pharmacognosy (23/8/2016). The title of the thesis is: "Phytochemical investigation of some plants belonging to genus *Lotus* (Fabaceae)".

III- Employment:

i- Demonstrator at the Department of Pharmacognosy **(9/4/2012)**

ii- Assistant lecturer at the Department of Pharmacognosy **(5/9/2016)**

Major research interest:

Isolation, analysis, biological screening and structure elucidation of biologically active plant secondary metabolites from medicinal plants using chemical methods as well as different spectroscopic techniques particularly NMR techniques.

IV- Training courses, workshops and lectures:

- i- Attendance of the training course “Make safety your life style - Arab association for health & safety experts and professionals” at Faculty of Pharmacy, University of Alexandria, 24 December, 2015.
- ii- Attendance of the training courses carried by the Faculty and Leadership Development Center (FLDC), Alexandria University, 2016-2018:
 - Credit hours systems
 - Ethics of the scientific research
 - Laws concerning working in the university
 - Using technology in teaching processes
 - Statistical analysis systems (SAS)
 - Taking decisions and Problem solving
 - Effective presentation skills
 - Exams and student evaluation
 - Management systems of scientific references
 - Quality parameters in teaching processes
 - Preparing of research projects
- iii- Attendance of Flipping classroom workshop, Faculty of Pharmacy, University of Alexandria, November, 2018.
- iv- Attendance of “The Concept and Application of Clean room in Pharmaceutical Industry” lecture at Faculty of Pharmacy, University of Alexandria, 19 November, 2018.
- v- Attendance of “SciVal: A tool for evidence-based research planning” workshop at Faculty of Medicine, University of Alexandria, 11 December, 2018.
- vi- Attendance of “The Current Situation of the Scientific Research in Egypt” lecture at Faculty of Pharmacy, University of Alexandria, 5 August, 2019.

- vii- Attendance of “Towards a Brighter Pharmacy Career” lecture at Faculty of Pharmacy, University of Alexandria, 23 September, 2019.

V- Conferences:

1- Participating in the scientific forum of post graduate studies 2019, Faculty of Pharmacy, University of Alexandria, 2 May, 2019. “**Phytochemical investigation of the aerial parts of *Lotus corniculatus* L. growing in Egypt**”, Nahla S. El Gazzar, Rokia M. Abdallah, Hala M. Hammoda, Shaimaa M. Sallam, Mohamed M. Radwan, Amira S. Wanas and Mahmoud A. ElSohly, **(Poster)**.

Paper abstracted from Master thesis:

”Phytochemical investigation of *Lotus corniculatus* growing in Egypt” Abdallah, R. M., **Hammoda, H. M.**, Radwan, M. M., Wanas, A. S., Sallam, S. M., ElSohly, M. A. and El-Gazzar, N. S. 16th Annual Oxford International Conference on the Science of Botanicals (ICSB), 11-14 April, 2016, University of Mississippi. USA.

(Poster and Proceeding in *Planta Medica*, 82, 496, PC 81 (2016))
