

IRAO Announcement For Summer School

- **IRAO Announcement** for the **Summer Undergraduate Research (SUR) Programme** organized by the School of Biology of the Faculty of Biology and Medicine at the University of Lausanne (UNIL).
- IRAO Members **helped students apply for** the third-year experience with this unique summer school, which is highly competitive globally.

Are you interested in an
international research program in
Switzerland?

The International Relations and Agreements Office (IRAO) at Faculty of Pharmacy, Alexandria University, encourages its outstanding undergraduate students, to apply for the Summer Undergraduate Research (SUR) Programme announced and organized by the School of Biology of the Faculty of Biology and Medicine at the University of Lausanne (UNIL), Switzerland.

During 8 weeks (in July and August, 2024), the SUR Programme hosts about 15 Bachelor (first university degree) students with both biological and medical studies background from around the world. Each participant will perform an individual research project in a different laboratory of the Faculty of Biology and Medicine. This programme aims to attract outstanding motivated students from near and far for a research experience that will remain with them for their lifetimes. Students also enjoy many social activities, including a hike in the Alps, barbecues, swimming in Lac Léman, and visits to other cities in Switzerland!

At the end of the summer, students present the results of their research on a poster during a joint UNIL/EPFL Symposium and write a final report.
